These documents are provided for cost estimating purposes only and are not intended for construction. Any cost estimate, based on these documents, is expected to consider the conceptual nature of the design and include an appropriate allowance for items depicted as well as items not shown but required for a complete project. Additional requirements are included in the government's Request for Proposal (RFP) which shall be reviewed in conjunction with these documents. In the event of conflict between the RFP and these documents, the RFP shall govern.
